**5 IN THE CLEAR** Cool tones and classic-style cabinetry combine to create a look of contemporary luxury in this kitchen, from £35,000, by Humphrey Munson, 01371 821300, [humphreymunson.co.uk](http://humphreymunson.co.uk). Large Tapered blown glass pendants, £215 each, also by the company, suit the grand proportions of the room, while their transparency accentuates the light mood and maintains the airy, open feel of the design.

**6 TASK MASTER** While LED ceiling spots provide general illumination and a subtle wash down the tall cupboards in this scheme by Splash of Light, 07946 351056, [splash-of-light.co.uk](http://splash-of-light.co.uk), the alcove workspace features two Hector Bibendum wall lights, £130.80 each, Original BTC, 020 7351 2130, [originalbtc.com](http://originalbtc.com), which direct brighter light on the desk where it's needed for working.

**7 VARIETY SHOW** In a room with a high ceiling, layers of light can be used to create different effects. Here, the Light Drizzle wall light, £888, Ochre, 020 7096 7372, [ochre.net](http://ochre.net), casts pretty shadows, while the table lamp creates an intimate mood. Luna, £960 including shade, Villaverde, 020 7610 9797, [villaverdeltd.com](http://villaverdeltd.com), is a similar lamp. Scheme by Splash of Light, 07946 351056, [splash-of-light.co.uk](http://splash-of-light.co.uk).

**8 ON THE RISE** Steplights on stairs add subtle glamour and are a practical night-time safety feature. Cazalla LED Steplights, £84.34 each, John Cullen, 020 7371 9000, [johncullenlighting.co.uk](http://johncullenlighting.co.uk). Design by Splash of Light, 07946 351056, [splash-of-light.co.uk](http://splash-of-light.co.uk).

**9 FOCAL POINT** Stylish pendants catch the eye and can be used to highlight special features, in this case the beauty of the richly coloured marble island. The gentle lines of these Fin bone china pendants, from £178.80 each, Original BTC, 020 7351 2130, [originalbtc.com](http://originalbtc.com), soften the strict linear effect of the wall panels and kitchen furniture.
